extra snuggles

Our customers love our comforters because each one is stuffed with an extra-thick filler making them plumper & thicker than others on the market

finer details

Our comforters are designed to look luxurious for years. Quality sewing & quilting keep the filler firmly in place, preventing it from bunching, so your comforter stays smooth & beautiful

fabulous fabrics

Our duvet covers & comforters are made from either premium polycotton or super-soft microfibre polyester with fabric dyes that keep the design looking bright wash after wash

how much credit will I qualify for?

The amount of credit that you have available to spend with us will depend on many factors including your current salary and your credit record. You can find out how much credit we will give you, by providing us with some of your details and by permitting us to contact the credit bureau to perform a credit check

can I increase my credit limit?

Yes - if you would like to qualify for a credit limit increase, make sure that you keep paying your homechoice account on time and in full. Contact our call centre on 0861 466 324 (South Africa) or +27 21 680 1300 (outside South Africa) for a quick credit check

why should I repay my instalments on time?
